

Sickle Cell Town Hall

Wednesday, Sept. 21
4 – 8 p.m.

Join us as we discuss and share information

on various topics surrounding maintaining your health with sickle cell anemia, sickle cell innovations, managing a sickle crisis and more.

Register Today

During the town hall meeting, you'll learn about:

- Managing pregnancy in sickle cell patients
- Transitioning from pediatric to adult sickle cell care
- Maintaining health in adults with sickle cell anemia
- Managing acute sickle cell crisis
- Understanding transfusion, red cell exchange and blood bank inventory
- Understanding gene therapy innovations on the horizon

The town hall will also feature a question-and-answer session with our expert panel: William B. Ershler, MD; Sheinei S. Alan, MD, PhD; Chad J. Zik, MD; and Elizabeth Yang, MD, PhD.
